Dear Financial Aid Applicant,

This packet contains all the materials necessary to complete the financial aid application process for the 2022-2023 academic school year. We are committed to our families who are currently enrolled in the school and want to assure you that everything possible will be done to enable your child to continue his or her education at Bridges Academy or Bridges Academy Online. Funds are limited and it is very important that all materials are submitted in a timely matter.

Enclosed you will find the Parents' Financial Statement Workbook and Instruction Booklet from School & Student Services by NAIS (to help complete the PFS online). This agency will give us comparative data on the expected parental contribution. This is the same format utilized for colleges, so each family filling out the form will be given information which may be helpful in future college planning.

You must complete and submit your PFS by SSS for NAIS application online at <https://sssandtadsfa.force.com/familyportal/FamilyLogin?startURL=%2Ffamilyportal> . Our SSS school code is 1639.

The **Parents' Financial Statement** for SSS must be completed and submitted to the National Financial Aid Agency no later than February 7, 2022.

Also enclosed you will find our in-house application materials. **These forms must be returned along with the 2020 and/ or 2021 Tax Returns by March 1, 2022.** If there is any special information which you feel will help the financial aid Committee better understand your situation, please enclose a letter describing those circumstances.

The 2022-2023 Bridges Academy/ BAO's Enrollment Contract will be sent out in a separate mailing on or before February 15, 2022.

We hope to be able to have all financial aid information completed before April 15, 2022. You may submit your 2022-2023 contracts with the notation "*pending financial aid*". This way, we will hold a spot for your child, but you will not be under financial obligation until the financial aid information is available.

Sincerely,

Anthony Vo
