

BRIDGES PARENT

Dear Bridges Parent,

Congratulations! We are thrilled to offer you admission and full scholarship to Bridges Parent University. Given the strengths of your child's intelligence and the theory that the fruit indeed does not fall far from the tree, we look forward to seeing your strengths and interests in action!

At BPU you will join a community of intelligent, successful, fun, caring, and fellow quirky students and faculty. We are confident you will live up to BPU's highest standards, use your executive functioning skills to navigate and register for your courses, and in time, matriculate as *Parent Expert* in the field of twice-exceptional education.

BPU will take place on Saturday, November 12, from 8:30 am to 2:30 pm, **in-person at Bridges Academy**. Required course offerings will be relevant, timely, and useful in your parenting careers, including strength-based experiential courses, Bridges school governance discussions, parents as opportunity makers, tech and gaming, science exploration, social emotional development and more. In addition, you will receive a survey to submit topics of interests to you. Your voice is important!

Please RSVP your attendance using this form by Friday, October 21, 2022:
<https://forms.gle/6UMX4yrqtmmgmXFn7>

Once you RSVP, you will receive a survey within 72 hours to submit your topics of interests.

Course registration will take place after November 3rd, 2022.

We look forward to seeing you at Bridges Parent University, the root of exceptionality!

Yours truly,

&

Doug Lenzini
Director of Admissions
